ADDENDUM 3

Additional Information

1. It has come to the attention of the City that there is an incorrect heading on pages 2 and 3 of the RFQ packet. Please disregard any references of “Roundabout Design at Alliance and Malsbary”. This RFQ packet is solely for the Plainfield Road Corridor Roundabouts.
2. The completion date for the right of way plan is listed in the RFQ as December 2017 and the City would like to remain as close to this date as possible. The Consultant should submit their own schedule of what they feel is obtainable. However, the City does want to be very aggressive in finalizing the right of way plan in order for appraisals to begin as soon as possible.
