

**DISPOSAL OF ITEMS WITH CFC (Freon)** -The City provides curbside pickup, at no charge to residents, of items containing CFC (Freon). Examples of such items include refrigerators, freezers, dehumidifiers, and air conditioners. Residents should schedule such pickup by calling the Service Department Center at (513) 686-1250 weekdays 7 AM - 3 PM. Do not place item(s) at the curb until a pickup day has been scheduled. **Doors must be removed.** Appliances not containing Freon (stoves, washers, dryers) may be placed at the curb, on the same side of your driveway as your waste wheeler, on your regular waste pickup day for the City's waste hauler to pickup. Examples of such items include dishwashers, stoves, and water heaters.

If you have any questions or to schedule a collection date, please call 686-1250.
