

# POOL ACCESS DURING CONSTRUCTION

To better serve our members, the following contingency plans have been made in order to access the main pool during construction of our Family Wading Pool. Areas directly affected are the Cabana Entrance, Concession Stand, and Concession Area. Temporary areas have been made to accommodate these changes, most notably with our Concession Stand - it will be operated from the Tennis Shack, but will have a VERY limited menu (bagged snacks, a few drink options and hot dogs).

Considering these changes, this is a great opportunity to refresh a few of our rules:

- Glass and Alcohol is prohibited.
- Hard sided coolers are not permitted (small soft coolers are permitted, but please do not bring glass or alcohol).
- Please keep food and drinks in the Concession Area.
- To access the pool via Outdoor Cabana Entry, members must have their membership card. Otherwise, access must be through the Welcome Desk.

While we have not been given a hard date of construction completion yet, we have been told "mid summer". Once we know a hard date, pass inspections and train our staff, we are planning a grand opening of family fun! Stay tuned!

**Construction Area**  
- No access to the public

**Controlled Access Points**  
- Members can check in at the cabana and access the locker rooms and/or the pool deck from here.  
- Accessing the pool from the cabana requires a membership card. If you do not have your membership card, please enter through the Welcome Desk.

**Concession Area**  
- Due to our main concession area being closed during construction, we are offering limited options that will be for sale at the Tennis Shack.  
- These will include cold drinks, bagged snacks, and hot dogs.
